

SLIDING FEE SCALE 2018

Gross Annual Income \$ _____ - Provide Last Tax Return

SLIDING FEE POLICY: The amount of assistance is determined by family size and household income. Applicants can receive 20-80% assistance. Anyone interested in using the sliding fee scale may pick up an application at the office.

SLIDING FEE SCALE PROCEDURE: This is a very confidential process where only the administrator looks at the submitted information.

ALL APPLICANTS: All applications must be completed and returned to the office with a copy of your head of household's most recent tax return. Recipients must reapply every 12 months for assistance.

If you did not file a tax return for the prior year you must go to the IRS website and file form 1040-EZ. Applications for a sliding scale discount will not be accepted without the required documentation.

For information regarding how to file a 1040-EZ go to: <https://www.irs.gov/uac/about-form-1040ez>

ASSISTANCE will be granted on financial need based on household size and total household gross income. Our subsidy guide chart will be used to determine initial eligibility. Depending upon gross monthly income or gross annual income and the number of household members, Covenant Christian Counseling, LLC, can offer 20% to 80% off. We reserve the right to refuse assistance to any applicant.

- **ONCE APPROVED**, arrangements will be made for you to pay your share of the counseling fees.
- **PLEASE ALLOW** at least 3 to 5 working days for your sliding fee scale application to be processed to determine eligibility. You will be contacted once yours has been completed.
- **APPLICANTS** who re-apply in subsequent years are encouraged to write a brief letter explaining how they or their children benefited from their previous counseling and attach it to their application.
